SUBJECT.

Lands required for military purposes in the Mysore State

question of grant — Yelahanka aerodrome.

Continuation Sheet. File No. / Current No. of Page.

(4) The reference in question relates only to the extent required for the construction of technical and domestic accommodation attached to the Yelahanka Aerodrome. This is in addition to the area already permitted to be occupied by the R.A.F. for the runways where work is almost complete. The additional lands referred to in this file have been inspected by the Dewan

the Dewan and also by Mr. Kesavaiengar The acquisition may therefore be sanctioned.

5) 2. As regards compensation, the Sub Division Officer has proposed Rs 300/- per acre for dry lands, Rs 1,000/- per acre for wet lands and Rs 1,500/- per acre for garden lands, besides giving compensation for crops, malki, wells, etc., standing on the lands. These estimates seem to be somewhat high even under the present conditions. It is seen from the extracts of the indexes maintained in the Sub Registrar's Office (copies enclosed in the records) that lands in the vicinity have not fetched such a high value in the past. In these circumstances, I should think that the Sub Division Officer, who will be appointed as the Land Acquisition Officer will have to go into this question in greater detail while passing the award as per instructions contained in para 121 on pages 36 and 37 of the Land Acquisition Manual.
